GUN SHOW

The clubs annual gun show is on February 25th & 26th. We hope to have an excellent crowd. Be thinking where you can put up fliers. Extra fliers are available at the indoor range or from Al Little @ 515-570-0827. As you travel around put up as many as you can to advertise the gun show. When you put one on a bulletin board put multiple up so when someone takes one down there are more still on the board for others to see.
