GUN SHOW Feb. 22th & 23th

Pick up flyers at the indoor range and put them up aro und town or other shows you attend. The flyers are a great way to help us advertise for the gun show.

We will need help starting at **noon** on Friday February 21st to set up tables. We need FOUR people working at the door every hour. Please signup on the door signup sheet at the indoor range. We also need help after the gun show on Sunday Feb 23th after 3:00 pm putting tables away and cleaning up.

There is no gun raffle this year at the show. Club members setup, tear down and work at the gun show will have their names entered into a raffle for an AR-15. This gun show is a major source of income for the club. Please show support for your club by coming out to help and attend.

Please remember put your shot targets into the recycling boxes downstairs. Don't put them in the garbage bags downstairs or upstairs. Targets make the garbage bags heavy and need to be changed frequently.

Firearms 101 Class

There will be a class held at the indoor range March 20 th and 21st from 6—8 pm. If you are interested in attending a class please contact Darwin Seehusen at 515-570-2942 for details. You must RSVP with Darwin to attend the class. This will not be a live fire class.
