FEBRUARY 2026

CLUB MEETING NIGHT

The monthly club meeting will be held **THURSDAY FEBRUARY 12th 6:00pm** at 300 South 13th ST. We are going to have soup night. Bring your favorite crockpot of soup to share.

2026 MEMBERSHIP RENEWAL

Those who have not renewed their membership will have one more news letter sent out to them. If you have not renewed your membership your cardkey will be disabled in the next few weeks. We will activate your cardkey once your paperwork has been received and processed. Activating the cardkey can take a couple of days after we receive and process your application. You must fill out a membership application, sign the waiver and pay the dues.

We ended 2025 with 239 members. So far this year membership is at 166.

2 pistol Magazines were found at the indoor range. Please contact a board member if you are missing them.

GUN SHOW Feb. 21 & 22

Pick up flyers at the indoor range and put them up around town or other shows you attend. The flyers are a great way to help us advertise for the gun show.

We will need help starting at **noon** on Friday February 20th to set up tables. We need **FOUR** people working at the door every hour. Please sign up on the door signup sheet at the indoor range. We also need help after the gun show on Sunday Feb 22nd after 3:00 pm putting tables away and cleaning up.

There is no gun raffle this year at the show. Club members setup, tear down and work at the gun show will have their names entered into a raffle for a firearm. This gun show is a major source of income for the club. Please show support for your club by coming out to help and attend.

Please remember put your shot targets into the recycling boxes downstairs. Don't put them in the garbage bags downstairs or upstairs. Targets make the garbage bags heavy and need to be changed frequently.

Firearms 101 Class

There will be a class held at the indoor range March 19th and 20th from 6—8 pm. If you are interested in attending a class please contact Darwin Seehusen at 515-570-2942 for details and fee's. You must RSVP with Darwin to attend the class. This will not be a live fire class.

Two Rivers Pistol League

We are in week 4 of our 10 week league. Please remember to check the league schedule to see if the range is being used. The range is closed while scheduled leagues are shooting. We have 5 teams from Fort Dodge and 11 teams in the league. Home nights for Fort Dodge Teams are typically Monday, Tuesday and Wednesday nights. Please pickup a schedule at the range if you are interested when matches are occurring.
