2024 Memberships

We are going to start taking 2024 membership **renewals** in December. By spreading the renewal process over December and January we hope to give people the opportunity to renew in smaller groups. You may **renew** your membership by filling out the membership application and paying your dues anytime you wish. You can drop your renewal off at the mail slot at the indoor range or give it to a board member. Please put everything in an envelope if possible to keep things together. We need to make sure you have your NRA number on the application. Your number is on your NRA card and also on the label of your NRA magazine. Bring your card or your label from your NRA magazine when you renew.
